See the Possibilities.

Matrox Graphics offers the most extensive line of reliable multi-display solutions on the market today.

Product Lineup

Matrox Multi-Display Graphics Cards

A pioneer in multi-monitor graphics technology, Matrox offers the most extensive line of multi-display graphics solutions — dual, quad and beyond — on the market today. We work hard to deliver the optimal combination of fanless design, low power consumption, best-of-breed 2D image quality, high MTBF and long product life cycles. Our solutions offer flexible multi-display configurations — from stretched to independent, in pivot and clone mode for widescreen and custom monitors — to give you more workspace to see and do more.

Product	Part Number	Max. # of Displays				Card Type	Graphics Memory	Form Factor Card/Bracket	On-Board Connectors	Maximum Resolutions (Per Display)			List Price USD	Optional Adapter/Cable Upgrade(s) ³ (sold separately)	
		DisplayPort	DVI	Analog	Total					DisplayPort	DVI	Analog		Cable Description	Cable Part Number
M-Series - Low power consumption. Fanless cooling. Dual and Quad multi-monitor support. Exceptional performance and image quality.															
M9120 PCIe x16	M9120-E512F	—	2	2	2	PCIe x16	512MB DDR2	ATX / ATX	DVI-I x 2	—	1920x1200	2048x1536	\$259	—	—

Graphics eXpansion Modules

Add external multi-monitor support to laptops, desktops and workstations. Customers benefit from multi-display computing — without the need to open PC chassis.

¹ The resolution & refresh rate of each display must be the same. ² Supports independent resolutions on two displays. ³ Cable pricing details available at www.matrox.com/graphics. ⁴ 1920x1200 supported with quad analog upgrade cable. ⁵ LFH-60 to 4xHD15 cable upgrade required. ⁶ LFH-60 to dual DVI-I cable upgrade required. ⁷ Supported on primary display only. ⁸ Maximum resolution supported is system dependent, please visit www.matrox.com/graphics/en/support/gxm for details.

⁹ The part number for North America and Japan uses "AJ" while the part number for Europe and the rest of Asia uses "EU" or "FE", respectively. ¹⁰ Available when TripleHead2Go Digital Edition is connected to the system's dual-link DVI output with Windows XP and Vista operating systems. ¹¹ Using optional adapter cable (sold separately).

Visit www.matrox.com/graphics for all software and hardware upgrade options and complete product line details.

Multi-Channel Digital Extension

Transfer multiple channels of content along a single copper-based cable with over 100m of extension per component across an unlimited number of iterations, with zero loss to image quality.

¹ DVI-to-HD15 adapter included in the box.

Remote Graphics Units

Separate standard peripherals — keyboard, video and mouse — from the computer by up to 250m (820ft) with fiber-optic cabling to deliver a user experience with less noise, less heat and more workspace.

¹ Four DVI-to-HD15 adapters included in the box.

Note: Fiber-optic cable and Matrox interface card for either PCI (part #: XTOA-FP66LPAF) or PCIe (part #: XTOA-FESLPAF) sold separately. Contact Matrox for compatibility information.

Leader in Multi-Display Graphics Technology

Matrox Graphics focuses on designing graphics solutions for industries that require stable, high-reliability products. Long product life-cycles, ease of deployment in corporate environments, and feature sets aimed at solving specific, real-world business issues are what set us apart. In-house design expertise, top-to-bottom manufacturing, and dedicated customer support make our solutions the premier choice in industries that require stable, high-reliability products. Fortune 1000 companies rely on our multi-display solutions dual, quad, and beyond to increase productivity and improve decision-making by enabling them to see more and do more.

Graphics solutions for:

Security	Digital Signage	Air Traffic Management
Control Room Workstations	Medical Imaging	Simulation
Business Productivity	Specialized Applications	Command and Control
Financial Trading	Embedded Systems	Public Safety
Video Display Wall	Navigation Systems
