Shuttle Accessory PS01

Vertical Stand PS01

Using the vertical stand

The XG41/XH61 can either be operated in horizontal or vertical (only with stand) position. Please be sure to have the right side of the PC facing up (see arrow). Positioning the XG41/XH61 in its stand in any other way may damage the system. Make sure the XG41/XH61 is placed vertically in its stand just as shown.

Power-on button facing to the top
